## 2026 Events.

Please see the diary on page one for the events that are being planned for 2026. Attendance to events by the membership can, on occasion, be rather low. Events are planned for the whole membership, not just for the enjoyment of the committee members, so please make every effort to attend as much as possible.

Please let the committee know if you have any ideas for events.

**Members of other associations are also very welcome to attend events.**

### Digital Organ Demo

**Saturday 10<sup>th</sup> January**

Aeron has built himself a portable digital organ and has offered to demonstrate this to members. Venue and time to be arranged.

### Christmas Meal

**Wednesday 14<sup>th</sup> January at 7pm**

This year we shall be going to The Alberello Italian restaurant in Bexley Village for our Christmas meal. Please let Linden know by Friday 12<sup>th</sup> December if you wish to book. Depending on numbers, there may be a booking fee.

### Organ Crawl

**Saturday 14<sup>th</sup> February**

Aeron has very kindly organized the itinerary stated below. This should be a very exciting and informative event, looking at various Hill organs. The venue for the meal at the end of the day is yet to be decided but this will be a restaurant in Beckenham. Start time to be arranged and travel details will follow. Please let Aeron know by the end of January if you are able to attend, and if you wish to book for the evening meal.

## **BDOCA Singers Evensong**

This will be (again) at St John's church, Sidcup on Saturday 25<sup>th</sup> April 2026 (reh. 3pm; tea 4.30pm; service 5pm).

SS Wesley – Blessed be the God  
SS Wesley – O Lord my God  
Ebdon Preces + Responses  
Ps 24 – SS Wesley chant  
Mag + Nunc in F – SS Wesley  
Hymn – God that madest earth and heaven (Bury)

Rehearsals at All Saints, Foots Cray 7.45 to 9pm on...  
Wed. 18.3.26  
Thurs. 26.3.26  
Tues. 7.4.26  
Wed. 15.4.26

Magda, who kindly helped augment our number for our last evensong, is going to be joining our happy band. BUT we still need more sopranos (although I hear that some from St John's church choir are interested) and altos too. So I am asking that you do all that you can to get new members and to confirm their names and details to me, so that I can add them to the mailing list. URGENT PLEASE.

The service will mark the 150<sup>th</sup> anniversary of S S Wesley's death (18.4.26, but we're still within the octave!). The lessons and psalm I had chosen are those set for 18.4.26. I shan't change those – and I bet no-one notices. I'll try to advertise the event widely. And I need to sort out a soprano soloist for the "Love one another" part of the anthem.

Reg.

## **BDOCA Singers Membership**

The BDOCA Singers are keen to increase membership. The SATB choir was formed in 2018 and first sang Evensong in March 2019. The proposal at that time was to sing Choral Evensong 2-3 times a year at various churches in the area with 4-5 rehearsals in the preceding months. The pandemic interrupted this somewhat, but the choir resumed in 2022 and the Evensong at St Mary's, Welling, in October was the second such service given in 2023. A further 2 Evensongs were sung in 2024 and 2025. In order to continue to enjoy a varied and interesting repertoire, the choir needs to grow. Rehearsals are held at All Saints' church, Foots Cray. Singers do not have to be BDOCA members and there is no subscription fee other than a small donation for the church at each rehearsal, so please spread the word.

## **Reports of past events**

### **BDOCA Singers Evensong October 2025**

On Saturday 11<sup>th</sup> October a mild and pleasant afternoon - saw 14 members and friends lead a service of Choral Evensong under the disciplined direction of Reg. Sadly one or two folk were unwell as the last moment. This took place at the church of St. John the Evangelist, Sidcup and was led by The Reverend Canon Cathy Knight-Scott.

Our practices had taken place at All Saints', Foots Cray, which is a much smaller building and with little distance between the two sides of the choir so it makes a difference in the dynamics in listening to each other.

Sydney Nicholson's "Let us with a Gladsome mind" was an appropriate introit to get us started. Richard Sheppard's (1998) Preces and Responses were chosen and seem to go well - if we watched the conductor. Aeron was in fine voice as the cantor.

Psalm 65 was not difficult but the arrangement alternating Full, Men, S/A, harmony and unison kept us on our toes.

Readings were read by members, and The Magnificat and Nunc Dimittis (Nº 2 in E flat setting) were by Charles Wood with several sections of 7, 8 and 9 note chords for our organist, Peter, to grapple with.

The anthem was Maurice Greene's "Thou visitest the earth" with the initial solo part taken by Aeron.

At the conclusion of the service, Peter treated us to a lovely rendition of Lemmens' – *Fanfare*.

I'm given to understand that the congregation doubled the number attending last year to 6.

Thank you to all those that turned out in the darkening evenings to rehearsals and hope you all enjoyed worshipping in this traditional way.

## "Fun at the Organ Console" Concert

To mark "Play the Organ Year 2025", I suggested to the BDOCA committee that a concert be organised to promote the organ in a hopefully engaging way. Hence the title shown above. My home church, St John's Welling, seemed a good venue as the inside of the organ is fairly accessible, so an opportunity to look inside could be offered. Aeron Preston agreed to partner with me so a number of duets could be played – therefore the concert on Saturday 25<sup>th</sup> October was born. One hiccup on the way, Aeron had to drop out for family reasons, but he found an excellent replacement, Charlie Warren from St George's Church, Beckenham.

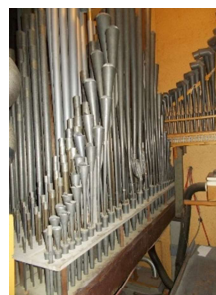

PLAY THE  
ORGAN  
YEAR 2025

The doors opened at 2.00pm and the audience started arriving, some taking the opportunity to view inside the organ and/or look at trumpet pipes on the vestry roof. By the time the concert started at 2.30pm the audience totalled just over eighty.

I started the concert with a Fanfare and the famous "Trumpet Voluntary" (Clarke). It was then followed by two organ/piano arrangements – the "Bridal Chorus" (Wagner) and "St Anthony Chorale" (Brahms) – the opening section concluded with an organ duet – "A Waltz in A flat" (Brahms), before I gave a short talk on how an organ works, with Charlie demonstrating.

To start the second section, Charlie played Dubois' well-known "Toccata" before a further organ duet – five contrasting variations on the hymn "Praise to the Lord the Almighty the King of creation" (the third variation involving just the feet – no hands). As a contrast before the second talk (on organ stops and sounds). I enjoyed playing the "Prelude on the Londonderry Air".

The final section of the concert started with a further organ/piano duet – an arrangement of Chopin's "Fantasie-Impromptu", followed by a fun piano duet arrangement of "Tea for Two". The concert concluded with a lively organ duet arrangement of Sousa's "The Stars and Stripes Forever".

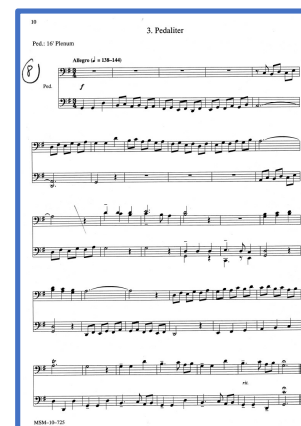

As an encore we played Widor's "Toccata" – Charlie played the first five pages and I then I took over for the last five. Overall (and despite the occasional wrong note from me!), I think a good time was had by all and hopefully eighty people went home more knowledgeable on the workings of a pipe organ. In addition, a retiring collection raised in the region of £300 for The Leprosy Mission.

Finally, my thanks go to my duet partner Charlie Warren.

In conjunction with Alan Hunt (who has kindly run our website for many years), Aeron has updated it. Aeron now invites contributions and also needs to update the "available to deputise" information.

Your contributions will be very welcome.
